CWA's online update for Cingular customer service, sales and network employees

## CINGULAR ORANGE CONTRACT BARGAINING REPORT #6

Friday, February 04, 2005

With the contract expiration date a little more than 24 hours away, the company bargainers did not have any counterproposals for your CWA bargaining team today.

CWA bargaining chair Teri Pluta let the company know that we are ready to talk when they are and that we are not going to let them run out the clock while we still have major issues that need attention.

Your Cingular brothers and sisters on the bargaining committee, who have spent the last couple months working day and night in an effort to secure a fair contract, made it clear to the company that they are standing by and waiting as long as it takes to get our members' issues addressed!

Stay tuned into the web <http://www.cwa-union.org/cingular> and check in with your local officers for the latest updates as we crank up the mobilization activity. Stay strong and stay together.

Thanks for all your support out there,

Teri, Pat, Rachel, Lamar, Ed, Holly, and Jeremiah
